

Bryan Wagner

- MO State Licensed in Acupuncture
- Diplomate of Acupuncture and Chinese Herbal Medicine , NCCAOM
- Masters of Arts of Oriental Medicine

Bryan is co-owner of Community Acupuncture of St. Louis and is dedicated to the concept of sliding scale clinics, allowing working people access to high quality, affordable Acupuncture. Bryan is a highly respected and nationally certified, state licensed Acupuncturist who brings a great deal of knowledge to his practice. Learning from some of the greatest masters of Acupuncture, Bryan continually aims to broaden and deepen his understanding of the many traditions of Oriental medicine. Complementing his work at the clinic, Bryan facilitates groups and individuals in “The Work” of Byron Katie, a simple process of questioning thoughts that frees the mind and reduces suffering
